

ST MARY'S CATHOLIC PRIMARY SCHOOL CURRICULUM MAP

HOW THE CURRICULUM INTENT IS EXPRESSED IN YEAR 5?

In Year 5, we want the children to develop their sense of uniqueness and self-worth within the knowledge that we are all children of God. We also want them to appreciate that difference and diversity is one of God's plans and so it should be valued.

We want to provide opportunities to develop their confidence, independence and life skills by participating in a range of varied, interesting and engaging activities (both within our classroom curriculum and during out-of-classroom opportunities, such as our residential, for example) whilst being appropriately challenged in order to progress.

Our goal of the Year 5 curriculum is to create children who are inspired to be the very best they can be and have the skills to achieve their dreams.
